

RAHBI CHHERTU (PATH MAKER)

1. INTRODUCTION:

The **Rahbi Chhertu (Path Maker) Project** is a **welfare and capacity-building** initiative of the **Mizoram Building and Other Construction Workers' Welfare Board (MBOCWWB)**, aimed at **improving educational, professional, and employment outcomes** for **registered members of BOCW and their dependent children including potential members**.

The project provides **claim-based financial assistance** for coaching, entrance exam preparation, skill development, and overseas employment-readiness training.

Candidates may choose **any Government Recognized coaching or training institutes in Mizoram or other States of India**, ensuring quality, transparency, and standardization. Financial support is to be provided **only after completing the course/exam**, ensuring accountability and effective fund utilization.

The project will be implemented over **three calendar-year phases**:

- **Phase I(Pilot)** : January 2026 – December 2026
- **Phase II** : January 2027 – December 2027
- **Phase III** : January 2028 – December 2028

Each phase shall cover a maximum of **120 Candidates**.

The project integrates the following three components:

- **Component I** : Graduate-Level Competitive Examinations
- **Component II** : Class XII–Passed Level Entrance Examinations
- **Component III** : Preparation for Overseas Employment

2. NEED AND NECESSITY:

Children of construction workers often lack access to professional coaching for competitive exams, technical entrance preparation, or structured training for overseas employment. High training costs limits their ability for appearing in multiple exams which further decreases their chances for success in the limited available opportunities.

This scheme aims to break cycles of low-income dependence and enhance representation in formal, high-value employment sectors.

The project directly addresses these challenges by:

- 1) Providing financial support for exam-related training
- 2) Allowing multiple attempts for better outcomes
- 3) Ensuring access to quality training through *Government Recognized institutes only*
- 4) Reducing financial burden and improving career mobility

3. AIMS AND OBJECTIVES:

- 1) Provide financial support to registered members of BOCW and their dependent children including potential members for coaching, training, and exam preparation.
- 2) Ensure that all training is undertaken at **Government Recognized institutes only**.
- 3) Support upto **three assistance** per candidate across all components.
- 4) Promote overseas employment through structured training support.
- 5) Improve socio-economic conditions of construction worker families.
- 6) Promote equitable access to quality education and training through a **claim-based reimbursement model**.
